

Special Interest

Using Technology:

There are many ways for your child to enjoy technology in the Children's Department. We have a computer especially for children. It has a self contained program and touch screen so that it is user friendly and child safe. We also have an ipad available for children to explore various apps.

Fun and Games:

Let us entertain and education your children with fun and fascinating programs for children of all ages. We have story times especially for our younger patrons, various clubs and craftnoons for school aged children, and events so that the whole family can come and enjoy a fun evening at the library. Stop by the library for a monthly events calendar or check out our online calendar so that you don't miss any of the fun.

Some of our programs do require that you register due to limited seating. To register, call us at 660-646-0563, drop us a Facebook message, or come in to the Children's Department.

Hidden Gems!

- Enjoy handpicked books bundled together by topic of interest for those days when your family is in a hurry.
- Sign up for our monthly newsletters and emailer list so that you stay current on what is going in the Children's Depart.
- Take advantage of our social media. We have a special webspace just for your child, facebook, a blog, and KCHI radio spots during the 7:00 a.m. hour on Fridays.
- Visit Dewey the library cat. He loves visitors.
- Use the Ellison machine for your party planning, school projects, and crafting needs.
- Come check out the Summer Reading Program.
- And last, but not least, our two bathrooms housed in the Children's Department! We guarantee your child will love our tiny toilet and bathroom sized just for them!

Welcome!

Welcome to the Livingston County Library Children's Department. We are so excited to be a part of your child's journey through literacy. At the library, we grow with you and your child. From our board books to our chapter books, we have something for all ages.

The Livingston County Library seeks to provide the very best in educational and recreational materials for children. We are always striving to provide our patrons with new and innovative materials and services. It is our hope that these items will enlighten and enrich the lives and minds of the children in our community.

Come drop in for visit and sit with your child on our comfortable couch and chair to read a story together. We encourage all our patrons to come for a visit and check out our bright and spacious Children's Department.

Collections

Books

The library offers books for all ages. We have board books for the infants, picture books for toddlers and preschoolers, and plenty of easy readers for those kids ready to begin reading. We also have a great collection of chapter books and books on cd.

Play-to-Learn Toys

The library also offers developmentally appropriate toys and puzzles for in-house play and activities to help foster early literacy skills. Examples of this includes our toddler tub and ABC exploration tubs.

Family Friendly DVDs

We have a collection of DVDs that are appropriate for the whole family to enjoy together.

Music CDS

We also have a collection of music CDs, just for kids, with plenty of nursery rhymes and songs for young children.

Come to see all that we have to offer you!
